PROFESSIONAL SERVICES

PROJECT No. **PS D17-003**

PROFESSIONAL SERVICES RELATED TO INFORMATION TECHNOLOGY

The following clarification is hereby provided to the question received:

Question: In Attachment A, the vendor response requirements are stated differently than in Legal Notice. The difference is the statement in Attachment A:

4. Copy of computer science or engineering license/certification/degree as evidence of Firm's qualification to provide services under GS-1550 or GS-0854 categories.

Which set of instructions is correct? Do we use the response instruction in Attachment A or in the Legal Notice? If it is the set of instructions in Attachment A, please clarify the requirement in Attachment A.

Answer: The below-referenced statement in Attachment A shall also be included in the Legal Notice. Both Attachment A and the Legal Notice shall include the same Submittal Requirements.

Copy of computer science or engineering license/certification/degree as evidence of Firm's qualification to provide services under GS-1550 or GS-0854 categories.
